## ETHICS IN GOVERNMENT ACT—FINANCIAL DISCLOSURE STATEMENT

**FORM A—For use by Members, officers, and employees of the House of Representatives and related offices**

### GENERAL INFORMATION

**WHO MUST FILE AND WHEN:**

- **Each Member in office on May 15 must file a Financial Disclosure Statement on or before May 15 of that calendar year.**

- **Any officer or employee of the Legislative Branch compensated at a rate equal to or in excess of the annual rate of basic pay in effect for grade GS–16 of the General Schedule for a period in excess of 60 days in a calendar year, shall file a Financial Disclosure Statement on or before May 15 of the succeeding calendar year if he or she continues to be such an officer or employee on May 15.**

- **Any employee of a Member who has been designated as a principal assistant for purposes of the Act and who performs the duties of his or her position for a period in excess of 60 days in a calendar year, shall file a Financial Disclosure Statement on or before May 15 of the succeeding calendar year if he or she continues to be such an employee on May 15.**

**WHERE TO FILE:** Clerk, U.S. House of Representatives, Office of Records and Registration, Room 1036, Longworth House Office Building, Washington, D.C. 20515.

**WHERE TO SECURE ASSISTANCE:** Committee on Standards of Official Conduct, U.S. House of Representatives, Room HT–2, Capitol Building, Washington, D.C. 20515. Telephone No. (202) 225–7103. Additional forms and instruction booklets may be obtained from the Committee office.

**EXTENSIONS:** The Committee on Standards of Official Conduct may grant reasonable extensions of time for filing any Disclosure Statement. Extension requests should be directed to the chairman of that Committee in writing and should state the reason the extension is necessary.

### REPORTING INSTRUCTIONS

**REPORTING PERIOD:** The period covered by this Disclosure Statement is calendar year 1983, unless otherwise indicated. *Gifts or reimbursements received during any period in the calendar year when the reporting individual was not a Member or employee need not be disclosed.*

**INCOME:** The term "income" is intended to be all-inclusive, as defined in the Act. The identity of the source and the amount or category of value of all income which exceeds $100 from any one source must be disclosed separately. Gross income should be listed, but the net income derived from business may also be reported. The type of income should be identified as salary, commission, pensions, honoraria, dividends, interest, etc. In reporting any honoraria, include the *date of receipt* and indicate which honoraria, if any, were assigned to charity. The amount of the honorarium should be the net figure; any payment for travel expenses should be disclosed as a reimbursement. ***Exclusion:*** Income from current U.S. Government employment.

SAMPLE

**GIFTS:** In reporting tangible gifts, it is not necessary that exact dollar figures be reported in every case. If the exact value of a gift is not reasonably ascertainable, a good-faith estimate and a brief description of the gift is sufficient for disclosure purposes. In disclosing gifts of entertainment or travel-related expenses, the individual should include a brief description of the itinerary and the nature of the expenses provided. ***Exclusions:*** Gifts from relatives and gifts of personal hospitality of an individual. Gifts with a value of $35 or less need not be aggregated towards the $100 or $250 disclosure threshold. Political campaign contributions also need not be reported. *Note:* House Rule XLIII, clause 4 prohibits acceptance of gifts aggregating $100 or more in value from certain sources.

**REIMBURSEMENTS:** This category would include items such as travel expenses provided in connection with a speaking engagement or fact-finding event related to official duties, whether those expenses were reimbursed to the individual or paid directly by the sponsoring organization. Only a brief description of the itinerary and the nature of the expenses is required rather than exact dollar figures. ***Exclusions:*** Travel-related expenses provided by federal, state, and local governments, or by a foreign government within a foreign country, and reimbursements paid from campaign funds.

**HOLDINGS:** Business interests, stocks and bonds, real estate, savings accounts, and any other investment or income-producing property should be reported by category of value. Property held at any time during calendar year 1983 must be listed; however, the value of the holding should reflect the fair market value as of the end of the year. In listing the category of value of any item where it is difficult to determine an approximate fair market value, any recognized indication of value may be used provided that the method of valuation is included on the Disclosure Statement. (See 2 U.S.C. § 702 (c) for methods of valuation.) In listing securities, the name of each company in which stock worth over $1,000 is held must be listed separately. In reporting real property holdings, a brief description of the property (such as number of acres and indication of any improvements), and its location should be included. ***Exclusions:*** Any deposits aggregating $5,000 or less in personal savings accounts as of the end of the year, and any personal liability owed to the reporting individual by a relative. A personal residence would not be reported unless any part of the residence produces rental income. The cash value of a life insurance policy, and equity in any retirement fund need not be reported.

**LIABILITIES:** All personal obligations aggregating over $10,000 owed to one creditor at any time during 1983, whether secured or not, and regardless of the repayment terms or interest rates, must be listed. The identity of the liability should include the name of the individual or organization to which the liability is owed, and the amount disclosed should be the category of value of the largest amount owed during the calendar year. Any contingent liability, such as that of a guarantor or endorser, or the liabilities of a business in which the reporting individual has an interest need not be listed. ***Exclusions:*** Mortgages secured by the personal residence of the reporting individual or his spouse; any loan secured by a personal motor vehicle, or household furniture or appliances; and any liability owed to a relative.

**TRANSACTIONS:** The amount to be reported in disclosing transactions in real property or securities is the category of value of the total purchase price or total sales price, and is not related to any capital gain or loss on the transaction. Indicate whether the property was purchased, sold, or exchanged. ***Exclusions:*** Any purchase or sale of a personal residence, and any transactions solely by and between the reporting individual, his spouse, or dependent children.

**POSITIONS HELD:** Any nongovernmental position held by the reporting individual, whether compensated or uncompensated, in any business entity, nonprofit organization, labor group, educational or other institution must be reported. ***Exclusions:*** Positions held in any religious, social, fraternal, or political entities, and positions solely of an honorary nature.

**AGREEMENTS:** Continued payments or benefits from a former employer would include interests in or contributions to a pension fund, profit-sharing plan, or life or health insurance; buy-out agreements; severance payments, etc.

## SPOUSE AND DEPENDENT DISCLOSURE

In general, the reporting individual is required to include financial information concerning his or her spouse or dependent children. However, in certain limited circumstances, the truly independent financial interests of a spouse or dependent would be exempt from disclosure.

Information concerning a spouse or dependent child should be reported as follows: (1) the source, but not amount, of a spouse's earned income which exceeds $1,000; (2) the source and category of value of income derived from any asset of the spouse or dependent reported under Part III of the Disclosure Statement; (3) gifts or reimbursements to the spouse, unless received totally independent of the spouse's relationship to the reporting individual; and (4) assets, liabilities, and transactions of the spouse or dependent child.

Disclosure of the financial interests and liabilities of a spouse or dependent under Parts III, IV, and V of the Statement is exempted when all three of the following circumstances are met: (1) the item is the sole interest or responsibility of the spouse or dependent child and the reporting individual has no knowledge of the item; (2) the item was not in any way, past or present, derived from the income, assets, or activities of the reporting individual; and (3) the reporting individual neither derives, nor expects to derive, any financial or economic benefit from the item. *Note:* If the reporting individual does not disclose certain financial interests or liabilities of the spouse or dependent children because these three standards for exemption are met, he or she must so indicate in Part VIII of the Statement.

SAMPLE

The information concerning a spouse or dependent child must be reported in the same manner as that of the reporting individual. However, the person reporting need not identify which items belong to a spouse or dependent. No information is required with respect to a spouse living separate and apart from the reporting individual with the intention of terminating the marriage or providing for permanent separation; or with respect to any income or obligations of an individual arising from the dissolution of the marriage or permanent separation.

## TRUSTS

The holdings of and income from a trust or other financial arrangement in which a beneficial interest in principal or income is held by the reporting individual, his spouse, or any dependent children must be disclosed. However, the reporting individual need only report the category of the amount of income received by him, his spouse, or dependents from: (1) a trust which was not created directly by such individual, his spouse, or any dependent, and with respect to which such individual, his spouse, and dependents have no knowledge of the holdings or sources of income of the trust; or (2) a "qualified blind trust," as defined in section 102(e)(3) of the Act. Such a trust must be approved by the Committee on Standards of Official Conduct before it will be deemed a qualified blind trust under the Act.

**This Financial Disclosure Statement is required by the Ethics in Government Act of 1978, as amended (2 U.S.C. § 701 et seq.). The Statements will be made available to any requesting person upon written application, and will be reviewed by the Committee on Standards of Official Conduct. Any individual who knowingly and willfully falsifies, or who knowingly and willfully fails to file this report may be subject to civil and criminal sanctions, (see 2 U.S.C. § 706 and 18 U.S.C. § 1001).**

Dear Ben:

After filing my Financial Disclosure on May 15th I discovered that the VA disability income for the 1983 calendar year was $1,368.00 and not $1,200.00 as reported.

I would appreciate your correcting my statement with this new figure.

Thank you for your courtesy and cooperation in this matter.

Re: Purpose of amending my Financial Disclosure Statement for 1983

Dear Mr. Guthrie:

I inadvertently classified receipt of monies from Anthony Forest Products Company as salary. It should be listed in Section IB, category D and it reflects a return on equity.

Under Section IB, I listed U.S. Treasury as a source of interest. This is a one-time only return of interest on overpayment of taxes. It is a nonrecurring asset.

My financial disclosure statement for 1983 should have reflected a disposal of an A. G. Edwards cash convenient account and should have been listed under Section V. On various dates during 1983, I made withdrawals from the account until it was depleted. It was used the same as an interest-bearing checking account.

Prior to 1982, I purchased a Ford Motor credit note. I disposed of the note which exceeded $1000 on October 5, 1983. It should be listed in Section V, category B.

My wife purchased stock in Pacific Scientific Corporation on September 21, 1982, and disposed of the stock on February 1, 1983, realizing a capital gain, category A. My wife also purchased stock in her name in Intecom, Inc. On my original disclosure statement it was listed in error as Intel Corporation. The Intecom stock was purchased on October 26, 1982, and it is listed under Holdings-Section III, category B. My wife was also involved as the owner and beneficiary of the sale of NW Energy stock and Digital Switch warrants.

Please attach this letter as an amendment to my financial Disclosure Statement for 1983.

On page 2 section III: Holdings: my interest in the Family Farm should read category D. In previous years this entry read correctly.

I discovered the error while reveiwing my news clips and noticed they all listed my assets incorrectly. Upon reviewing my form I discovered the typographical error.

Thank you for your help in this matter.

Sincerely,

Michael D. Barnes

Dear Mr. Templeton:

I wish to add a small amendment to my 1983 Financial Disclosure Statement. Although I receive no income from my homes in Washington and San Diego, I wish to include them on my report.

The value of my house in Washington is $150,000. In San Diego, I have a house valued at $225,000.

I would appreciate your adding this information to my 1983 Financial Disclosure Statement. All the other information contained in the report is to remain the same.

Sincerely,

JIM BATES

Dear Mr. Guthrie:

Please consider this an amendment to my 1983 Financial Statement which I filed April 5, 1984.

Section II. A. should not include: Parliamentarians for World Order, New York, N.Y, Trip to Mexico to meet with the President.

I made this trip to Mexico on January 28-30, 1984 rather than in 1983.

Thank you for the consideration of this matter.

Dear Mr. Guthrie:

I noted that my recently filed Financial Disclosure Statement did not include the date of the honoraria I received. I apologize for the oversight and by this letter will amend the statement.

I received two honoraria in 1983. The first was from the National Grain and Feed Association in the amount of $200. The date it was received was March 25, 1983. The second was from the Millers' National Federation in the amount of $1000.00. The date it was received was May 19, 1983.

Thank you for your assistance in having this letter included with my Financial Disclosure Statement.

Sincerely,

Douglas Bereuter

Dear Mr. Guthrie:

Please accept the attatched amendment with regard to my Financial Disclosure Statement for 1983, filed on May 15, 1984. Under section VIII, Additional Information, I inadvertently failed to check A and B of that section.

I would also like to clarify that one honoraria recorded under section I.A. did not include an asterisk. Both the National Cable T.V. Association in Houston and the Texas Association of Broadcasters honoraria, were donated to charity.

Thank you very much for your assistance regarding this matter.

Sincerely,

John Bryant

Dear Sir:

In my Financial Disclosure Statement for 1983 which was amended and submitted today, there was a typographical error under Part V. Transactions.

Category G was listed which is a non-existent category applying to Part V.

The correct category should be listed as E; therefore the information under V. Transactions should appear as follows:

| Brief Description | Date | Category |
|---|---|---|
| purchase house - Garden City, S.C. | 8/8/83 | E |

Thank you for your assistance in this matter, and let me know if there are any problems or questions.

Sincerely,

Carroll Campbell

Dear Mr. Guthrie,

Upon further examination of the Financial Disclosure Statement which I filed with your office on May 10, 1984 I find there are certain amendments which should be made to reconcile this year's statement with last year's.

In item I A. the first amount should be $6000. rather than $6500. as listed. Furthermore, the amount listed is a yearly fee, paid monthly.

In item III add the following:

| | |
|---|---|
| House and Lot, Washington, DC | category E |
| House and Lot, Largo, FL | category D |
| Horses | category B |

In item IV ATM, Inc. should be listed as Advanced Turbo Manufacturing, Inc.

These changes will accurately complete my filing required this year.

Sincerely,

Bob Carr

Dear Mr. Guthrie:

In the process of filing my financial disclosure statement for 1983, I inadvertently failed to disclose a trip that I took to Japan, as a guest of the Liberal Democratic Party, from August 29 - September 7, 1983.

An invitation was tendered to each member of the California delegation for the purpose of discussing international issues principally in the area of agricultural trade. More specifically, we discussed the elimination of trade barriers to provide additional importation of citrus and beef products.

Your assistance in adding this trip to my statement is most appreciated.

Sincerely,

Gene Chappie

My total honoraria for the year was $35,600 ($14,800 of which was given to charitable organizations and $20,800 of which was paid to me).

Pension income for husband: I received $8,148.12 from my pension with the Marine Corps Reserves which was deposited in a segregated bank account for charitable contributions.

Income from Estate:
Wife: Estate of Martha Weber $2,660

Wife's income: My wife, Charlotte W. Conable, received as salary from George Washington University, her full-time employer for part of the year, $7.666 in 1983. She also received $800 during 1984 for service on the U.S. Commission on Aging.

Statement of Income Tax: In connection with income taxes paid for 1983, my wife and I listed deductions of more than $25,047 in contributions to charities. We paid a net federal income tax of $66,304.41 and a net New York State income tax of $20,314.26. In addition my wife paid a District of Columbia income tax on her salary earned in Washington of $732.25. These taxes did not differ significantly from the taxes paid in previous years. The increase in total taxes resulted primarily from long-term capital gains as reported herein. We do not own any tax shelters or tax-exempt bonds.

Dear Mr. Guthrie:

I would appreciate your assistance in making a correction on my Ethics in Government Act - Financial Disclosure Statement for 1983 filed yesterday, May 15, 1984.

The income from my farm in Fountain County, Indiana was incorrectly listed under Part I Income, Section A as earned income. It should have been listed under Part I Income, Section B as a return on investment.

Please let me know if your require any additional information in order to correct this oversight on my financial disclosure form.

Cordially,

Phil Crane

The Honorable Benjamin J. Guthrie
Clerk of the House
H 105 The Capitol
Washington, D.C. 20515

MC

Dear Mr. Guthrie:

I am writing in reference to my Financial disclosure Statement for 1983.

I have inadvertently listed two partnerships and a D.I.S.C. corporation under Income Section A. Please amend my statement to remove them from section A and include them instead in Income Section B. The changes should be listed as follows under 1B.

| Source | Type | Category |
|---|---|---|
| Ohio Twine Co. (member) | partnership | F |
| Ohio Twine Co. (spouse/children) | partnership | F |
| DeWine International seeds, Inc. | D.I.S.C. | A |

In addition the 1983 DSRB, (spouse) partnership listed on Income Section A should be removed. Under Section III, Holdings, the DSRB Partnership (1/3 interest in rental unit) (spouse) Category B, should read 1/3 interest instead of 1/4. No change is made in the category.

Thank you for your assistance in this matter.

Very respectfully yours,

Mike DeWine

Dear Mr. Guthrie:

This letter shall serve to amend my financial disclosure statement recently filed for calendar year 1983, to add to the language listed under Category III Holdings, Industrial Bank (Shares), the word: Inheritance. Similarly, under Category V Transactions, remove the language NONE and add: Queen City Bank, Date: July 18, 1983; Category: C. I would also note that although this information is declared under Category III, through an omission, I neglected to include it under Category V.

I appreciate your kind attention to this request. Please feel free to contact me should you have any additional questions.

Sincerely,

Dear Ben,

I would like to officially request that you amend the financial disclosure form which I submitted yesterday.

Under Section III. HOLDINGS - please add the following:

| | | | |
|---|---|---|---|

| | Unimproved rural land,<br>Harrison, Arkansas | | A |

I derive no income, nor have I ever derived any income, from the unimproved land holdings. For this reason, these small tracts of property have not been listed on my previous financial disclosure forms.

Dear Mr. Chairman:

MC

This letter is offered as an amendment to my 1983 Financial Disclosure Statement submitted April 25, 1984 in further explanation of an item listed under Section II titled, "Gifts and Reimbursements".

In 1983, I gratefully accepted a painting by a noted Long Island artist of a well-known landmark on Long Island, the Montauk Point Lighthouse. This gift was offered by the artist in appreciation for the work I have done to preserve historic landmarks on Long Island.

Other similar works by this artist have been valued between $300 and $500. I accepted this painting gladly and am proud to display it in my Washington office where it is a source of identification with home for me and for visitors from my district.

I will state categorically that I have no intention of benefitting financially from having accepted this gracious gift. The artist is my friend and he has not indicated direct interest in any legislation before the Congress. In short, my receipt of this gift poses no ethical problems for me as a public official and I appreciate very much the opportunity to make that clear here and on my 1983 Financial Disclosure.

Sincerely,

Thomas J. Downey

Dear Mr. Chairman:

Thank you for your letter of May 21, citing and explaining the erroneous basis upon which several Members of Congress, myself included, computed the limitation of outside income for their 1983 Financial Disclosures.

The miscalculation and ensuing incorrect information, as conveyed to me, was regrettable. However, I have taken steps to correct the situation; I have made a charitable contribution to World Hunger Year in the amount of $130.00.

This donation brings my outside income for 1983 back to the correct limitation of $20,810.58, and I hereby request that my 1983 Financial Disclosure be so amended.

Your cooperation in this matter has been greatly appreciated.

Sincerely,

THOMAS J. DOWNEY

Dear Mr. Guthrie:

MC

The following dates were inadvertently omitted from my financial disclosure which was filed yesterday. This information should have been included in Section I, A.

| | |
|---|---|
| Phillips Petroleum | January 17 |
| National Tax Limitation Committee | March 29 |
| Manistee County Republican Party | April 29 |
| Connell Rice & Sugar Co. | May 9 |
| Free Congress Research & Education Foundation, Inc. | June 16 |
| Southerners for Reagan | September 9 |
| National Association of Manufacturers | August 23 |
| Morrisons, Inc. | November 8 |
| Morrisons, Inc. | December 5 |
| Committee del Sector Privado | December 15 |

Additionally, I request that you correct one item. The presentation on June 16 was made to a group by the name of Free Congress Research & Education Foundation, Inc., not Women's Spokesman. Only one presentation was made to the group, and that was the one on June 16. The agreed upon payment had been $75. Inasmuch as the group overlooked paying me in June, when the check was issued to me in December, it was payable in the amount of $250. Simply stated, the listing should have read: Free Congress Research and Education Foundation, Inc. -

June 16, 1983 -- $250

Thank you for including this information in the disclosure.

Sincerely,

Mickey Edwards

Dear Mr. Guthrie:

Please accept this letter as an amendment to my Financial Disclosure Statement for 1983, filed in your office on May 14, 1984.

Item B in Part II, Gifts and Reimbursements, describing a gift from the Atlanta Falcons of certain tickets to a football game on October 2, 1983, should be amended to reflect a gift of 7 tickets, for a total value of $98.00. I have made personal payment to the Atlanta Falcons for the remaining 7 tickets, in compliance with House Rule XLIII(4) prohibiting the acceptance of gifts in excess of $100.

Part VIII of my Statement (Additional Information) should also be amended by including my answer of "No" to both parts A. and B.

I regret these oversights in the Statement as originally filed, and I request that you attach this letter and the copies supplied herewith as an amendment to all copies of the Statement as filed.

Thank you for your assistance and cooperation.

Dear Ben:

By means of this letter I wish to amend my Financial Disclosure Statement For 1983, dated May 3, 1984.

Under Part I. (Income), A, the third item labeled "Speaking Engagements" should be changed to read, "Speaking Engagements - Honoraria - April 8, 1983, Ohio Bell Telephone Company, $1,000; and April 14, 1983, American Retail Federation, $500."

Also, in the column "Type", "Ordinary" should be stricken and "Honoraria" put in its place.

Finally, in the column "Amount" a one and a comma should be added to reflect the total of $1,500, which was inadvertently dropped during typing the smooth copy.

Thank you for your cooperation and assistance in this regard.

Sincerely,

Tony P. Hall
Member of Congress

Dear Sir:

It has come to my attention that upon submitting my 1983 Financial Disclosure Statement that I inadvertently failed to answer two questions.

In section VIII. ADDITIONAL INFORMATION my answer to question A. Are you aware of any interests in property or liabilities of a spouse or dependent child or property transactions by a spouse or dependent child which you have not reported because they meet the three standards for exemption? should be No and my answer to question B. Do you, your spouse or dependent child receive income from or have a beneficial interest in a trust or other financial arrangement whose holdings were not reported because the trust is a "qualified blind trust" or other excepted trust? should be No.

Thank you for your attention to this matter and with kind regards, I am

Sincerely,

Elwood H. Hillis

Dear Sir:

In the Financial Disclosure statement which I filed for 1983, the date of one of my honorariums was incorrectly listed.

The date of September 8, 1983 was recorded as an honorarium from Alan L. Freed Associates, Inc. The correct date should be September 9, 1983.

Thank you for amending my statement to reflect this correction.

Cordially,

Tom Loeffler
